

SALES, DISTRIBUTION & SERVICE *Of Process Measurement & Control Equipment*

What differentiates JMC is our commitment to provide consistent quality, rapid availability, personalized service and representing only the leading manufacturers of this industry. This has traditionally kept our customers coming back. We strive to go “above and beyond” in servicing our customer needs with the “can do” attitude

SHARPE VALVES

High Quality 3 Piece & ANSI 150-600 Flanged Fire Safe, Cryogenic, Chlorine & Sanitary Ball Valves, Gate, Globes & Check Valves, Pneumatic & Electric Actuators, *Quick Shipment*

The Heat Tracing Specialists®

Thermon's Specialty Is "Heat Tracing" The Application of Steam, Fluid or Electric Heat to Piping * Tanks * Instrumentation & Other Equipment

Pressure Gauges, Thermometers, Isolation seals, Pressure & Temperature Switches, Transmitters & Accessories

WIKAI FACTORY AUTHORIZED ISOLATION SEAL FILL SERVICE CENTER

Magnetic, Ultrasonic, Insertion Vortex & Turbine, Target Variable Area Flow Meters, Gilflo Flowmeters Flow Processors, Mass Flow Controllers, Mass Flow Meters, Thermal Mass Flowmeters

Compression & Hydraulic Instrumentation Fittings, Valves, Tubing, Hoses, Quick Connectors, Tools & Accessories, Stainless Steel, Monel®, Brass & Other Exotic Alloys. *Made in USA*

High Performance Butterfly Valves, Resilient Seated Butterfly Valves from 2-48 inches with 150-600 psi, Manual, Electric & Pneumatic Automated

Azbil North America, Inc.

Electromagnetic Flow Meters, Pressure Transmitters, Temperature Transmitters, Mass Flowmeters, Ultrasonic Flowmeters, Vortex Flowmeters

Steam Traps, Boiler Controls, Flowmeters, Control Valves, Condensate Pumps, Strainers, Regulators, Humidifiers, Complete Packaged Systems

Pressure & Temperature Switches, Sensor Box, Differential Pressure Switches, Wireless Gas Detection, SIL-Rated Switches & Transmitters, Smart Electronic Switches

Worcester Controls

Dating Back to 1959, The Worcester Product Range Offers A Comprehensive Portfolio of Ball Valves For Virtually Any Application. Modulating Controls And Customized Solutions to Specific User Problems For Virtually Any Application

Durco Valves

The range of plug valve applications is broad, and the Flowserve portfolio reliably addresses most requirements. High temperatures and pressures. Corrosive media. Lethal, toxic and sub-zero fluids.

Leader in Position Indication & Positioning Control. Accord Limit Switch & Positioner Products Scotch Yoke Actuators. Performance Combined with Ease of Calibration & Maintenance

Immersion Heaters, Circulation Heaters & Engineered Products. Caloritech is Well-Known In The Industry For Their Quality, Reliability, Performance & Versatility

Cartridge Heaters, Sensors, Controllers, Software, Thermocouples & RTD's, Immersion Heaters, Band Heaters, Mineral Insulated Cable & Data Loggers

A-T Controls, Inc. Designs, Develops & Manufactures Valves, Actuators And Valve Control Products

By Thermon Heating Systems

Explosion Proof Heaters, Designed Specifically For Freeze Protection Of Control Enclosures In Locations Where Explosive Atmospheres Exist

By Thermon Heating Systems

Catalytic Heaters Fueled By Natural Gas Or Propane For Building Heating, Freeze Prevention, Instrument Gas Pre-Heaters, FM Approved Class 1 Div. 1

By Thermon Heating Systems

Industrial Heavy-Duty Steam & Electric Explosion Proof Heaters

Differential Pressure Gauges, Switches & Transmitters, Flowmeters
PVC Instruments, Mini Transmitters, Air, Gas & Liquid Flow

Instrument Boxes, Enclosures Designed to Ensure Safe Operation & Provide Freeze Protection & Sensitive Field-mounted Instruments

Pinch Valves, Knife Gate Valves, Pressure Sensors, Air Operated Valves
"The Best Choice For The Toughest Applications"

Pressure & Temperature Regulators
Controllers, Control Valves, Temperature Control Valves

D/P Gauges & Switches, Level Switches, Control Valves,
Pressure, Level & Flow Instruments, Data Loggers & Process Control Items

Electronic Pressure Measurement Products,
Pneumatic Controllers,
Pressure Transducers, Pressure Transmitter

A Worldwide Leading Manufacturer of Corrosion-resistant, Plastic-lined Process Pumps, Shut-off, Control & Safety Valves

Solenoid Valves, Process Sensors, Pneumatic Actuation, Analytical Valves, Controllers, Angle Seat Valves, Globe Valves, Ultrasonic Level Transmitters, PH & Conductivity Transmitters, Radar Level Devices, Insertion Mag Meters

ASME Pressure Vessels, Turnkey Systems & Skids, Control Panels, Precision Machining, ISO 9000, AS 9100, ASME Sect VIII (U&R Stamps)

Direct Drive Test Gauges, 5 Year Warranty,
Process Gauges & Regulators,
Digital Gauges & Transducers

Flanged Thermowell's, Standard Thermowell's,
Orifice Plates, Level Chambers, Seal Pots, Needle Valves, Manifold Valves, Flanged Flush Rings

Digital Panel Meters, Process Meters, Loop Powered Meters, Explosion Proof Meters, Multi-Channel Controllers For Pressure, Temperature, Level, Flow, Batch Control, Weight & Speed

Liquid Level Gauges & Valves, Steam Gauges,
Capacitance Columns & Switches, Magnetic Gauges, Armored Tubular and Sight Flow Indicators

Valve Position Indicators, Rotary Limit Switches,
Valve Monitoring Systems And Valve Positioners For Automated Valves

Mechanical & Electronic Pressure & Temperature Switches, Transducers,
Level Control, Transmitters, Valves & Regulators,
Air Suspension Valves

Air Pressure Regulators, I/P Transducers, E/P Transducers, P/I Transducers, Valve Positioners,
Air Relays, Volume Boosters, Air Filter Regulators

RTD's, Thermocouples, Pressure & Temperature Transmitters, Thermowells, Protection Tubes
Thermocouple Wire, RTD Wire "The Sensor Box"

High Performance Fluoropolymer & Advanced Composite Products For Fluid Handling & Sealing Applications. ANSI Rated Ball, Butterfly, Check & Lined Hoses

Valves

- Diaphragm Valve
- Pinch Valves
- PTFE Lined Ball Valves
- Lined Safety Valves
- Gate Valve
- Ball Valve
- Economy Ball Valves
- Cryogenic Valves
- Sanitary Valves
- Fire Safe
- Chlorine Valves
- Butterfly Valve
- High Performance Butterfly Valves
- Globe Valve
- Check Valves
- Segmented Ball Valve
- Directional ball Valves
- 2-way, 3-way & 4-way Valves
- Solenoid Valves
- Manifold Valves
- Plug Valves
- Lined Plug Valves
- Safety Relief Valves
- Instrumentation Ball Valves-Compression Ends
- Instrumentation Check Valves-Compression Ends
- Instrumentation Ball Valves
- Instrumentation Check Valves
- Analytical Valves
- High Pressure Ball Valves
- High Pressure Check Valves
- Trunnion Ball Valves
- Needle Valves
- High Purity Tube Full Port Ball Valves
- Flush Bottom Tank Valves
- Steam Service Ball Valves
- Flanged Ball Valves
- 3 & 4 way ball valves
- Shear Seal Directional Control Valve
- Shear Seal Manual Control Valve

Actuators/Actuation

- Pneumatic Actuators
- Hydraulic Actuators
- Electric Actuators
- Electric Fail Safe
- Valve Positioners
- 2 & 3 Position Actuators
- I/P Positioners

Flowmeters

- Vortex Flowmeters
- Magnetic Flowmeters
- Averaging Pitot tube
- Velocity Averaging Pitot Tubes
- Orifice Plates
- Turbine Flowmeters
- Doppler Ultrasonic Flowmeters
- Transit Time Ultrasonic Flowmeters
- Coriolis Flowmeters
- Ultrasonic Flowmeters
- Oscillating Positive Displacement Flowmeters
- Thermal Mass Flowmeters
- Mass Flow Measurement
- Sight Flow Indicators
- Mass Flow Controllers
- V Cone Meters
- Propeller Flowmeters
- Venturi Tubes

Electric Heating

- Heat Trace
- Immersion Heaters
- Process Heaters
- Environmental-Air & Space Heaters
- Tubing Bundles
- Controls & Monitoring
- Tank Heating
- Thermostats
- Band, Strip & Tubular Heaters
- Boilers & Calorifiers
- CEMS & Analytical Systems
- Energy Audit's

Transmitters

- Pressure Transmitters
- Differential Pressure Transmitters
- Temperature Transmitters
- Level Transmitters
- Process Transmitters
- Pressure Transducers
- Submersible Transmitters
- Gas Detection Transmitters
- Mass Flow Transmitters

Switches

- Temperature Switch
- Remote Mounted Temperature Switches
- Remote Mounted Explosion Proof Temperature Switches
- Pressure Switch
- Explosion Proof Pressure Switches
- Explosion Proof Temperature Switches
- Differential Pressure Switch
- Limit Switch
- Electro-Mechanical Pressure Switch
- Solid State Pressure Switch
- Level Switch
- Capacitance Switch
- Ultrasonic Switch
- Thermal Differential Switch
- Float Switch
- Tuning Fork Point Level Switches
- Ultrasonic Gap Switches
- Top Mounted Multistage Level Switches

Gauges

- 1 1/2" - 12" Dial Pressure Gauges
- Process Gauges
- Test Gauges
- Commercial Gauges
- Differential Pressure Gauges
- Digital Gauges
- Temperature Gauges
- Diaphragm Seal Gauges
- Low Pressure Gauges
- Industrial Gauges
- Pressure Transducers
- Panel Mount Gauges

Fittings

- Aluminum Fittings
- Brass Fittings
- Chemical Fittings
- Compression Fittings
- 2 Ferrule Compression Fittings
- Single Ferrule Fittings
- Hydraulic Fittings
- Hydraulic Tube and Pipe Fittings
- Pipe Fittings
- Plastic Fittings
- Pneumatic Fittings
- Tube Chemical Process Fittings
- Tube Industrial Fittings
- Tube Instrumentation Fittings
- 316 Stainless Fittings
- Adapters Fittings
- Hose Fittings
- Instrumentation Compression Fittings
- Instrumentation Pipe Fittings
- Tri-Clover Adapters
- Sanitary Fittings
- Monel Fittings
- Exotic Alloy's

Steam Heating

- Steam Trace
- Tank Heating
- Steam Heated Bundles
- Steam Supply & Return
- Heat Transfer Compounds
- Steam Trace Accessories
- Steam Traps
- Steam Manifolds
- Environmental-Air & Space Heaters
- Control Panels
- CEMS & Analytical Systems
- Controls & Monitoring

Temperature

- Thermocouples
- RTD'S
- Bimetal Thermometers
- Remote Mounted Thermometers
- Surface Mounted Thermometers
- Thermistors
- Thermowells
- Protection Tubes
- Heaters
- Controllers
- Sensors
- Thermocouple Wire and Cable
- RTD Lead Wire
- Infrared Sensors
- Multipoint Sensors

Level

- Liquid Level Gages
- Magnetic Level Gages
- Ultrasonic Level Transmitters
- Level Switch
- Capacitance Switch
- Capacitance Level
- Ultrasonic Switch
- Thermal Differential Switch
- Float Switch
- Tuning Fork Point Level Switches
- Ultrasonic Gap Switches
- Top Mounted Multistage Level Switches
- Displacer Switches
- Ultrasonic Gap Switches
- Radar Level Transmitters
- Guided Radar Level Transmitters
- Differential Pressure Level
- Submersible Level Transmitters

Regulators

- Pressure Regulators
- Temperature Regulators
- Back Pressure Regulators
- Air Filter Regulators
- Steam Regulators
- Gas Regulators
- Process Regulators

Controls

- Pneumatic Controllers
- Valve Positioners
- Temperature Control Valves
- Temperature Controllers
- Pressure Controllers
- Limit Switches
- Digital Panel Meters
- Digital Field Meters
- I/P positioners
- Position indicators
- Electro Pneumatic Positioners

Accessories

- Instrumentation Tubing
- Tubing Benders
- Compression Fittings
- Pipe Fittings
- Pressure Regulators
- Filters
- Pressure Snubbers
- Cooling Towers
- Steam Traps
- Data Loggers

Gas Heating

- Enclosure Heaters
- Explosion Proof Gas Catalytic Heaters
- Gas Fired Blowers
- Gas Heating Accessories
- Engineered Products

Control Panels

- Heat Trace Control Panels
- Process PID Control Panels
- Power Distribution Panels
- Analog & Discrete Marshaling Panels
- SCR Control Panels
